Falcon Pride Day

Falcon Pride Day is relatively new at CRLS. We spend an entire day filling the hallways, athletic facilities, and visual arts complexes with school spirit. Anywhere you go, you will be entertained by games, music, competitions, dance performances and so much more! Falcon pride day is an annual event that happens the day before Thanksgiving every year. Students at Cambridge Rindge and Latin show off their skills as Falcon Pride Day, as it continues to be a growing tradition.

STARS

Students Teaching and Advocating Respect

STARs is a peer leadership program, where students work avidly to help make CRLS and the City of Cambridge the best community that it can be. Students develop workshops, assemblies, and other projects that promote community awareness. STARs provides a comfortable environment for each student that allows them to grow into their best self, and into a more developed leader. Once a STAR, always a STAR!

MSAN

The Minority Student Achievement Network is a national coalition of multiracial, suburban-urban school districts that come together to study achievement gaps that exist in their districts. The club was introduced to CRLS in 2007. Each year in September, the club participates in a national conference to discuss the achievement gap within their school districts, as well as their own experiences as high-achieving minority students. After exchanging ideas with students from all across the nation, conference attendees develop action plans that they then carry out upon returning to their school districts. This year, the conference was held in Columbia, MO. The 2011-2012 MSAN club introduced CRLS to the motivational speaker Eric Thomas, who inspired the student body and promoted positive feedback.

Football

In 2011, Coach Shea and his staff began to rebuild the CRLS football program. The seniors exemplified hard work and dedication on the field, and in the classroom. They hope that underclassmen continue to follow in their footsteps in order to become a dominating team of student-athletes in the GBL league.

Football Cheerleading

Cheerleaders are the football team's number one fans. They support our players with encouraging chants, and lead the rowdy CRLS fan section in school spirit despite our inconsistent New England weather. CRLS Cheerleaders put on an amazing half time show at every football game, performing extraordinary stunts and tumble sequences.

Soccer

The Girls team came back this year after two tough seasons, clutching 2nd place in the Greater Boston League, and making it to the first round of the state tournament.They will be losing nine seniors, but there is great underclassmen talent that will keep the team strong!

The CRLS Boys Soccer season was a joyous affair, even if it did end in heartbreak. From August through November the team logged demanding hours of work, striving to become more complete as a unit and family. Under the guidance of a first year head coach Phil Fousek, the boys competed at an extremely high level, and grew in stature both on and off the turf at Danehy Park. In the end, every athletic team is judged based on results and the CRLS Soccer team delivered a 9-6-2 record, including a highlight 2-0 win over the third ranked team in the state, Winchester. The CRLS boys soccer team can look back on this year with pride, knowing that they improved dramatically from start to finish, and truly came together as one.

Boys Basketball

After losing many key players, the boys varsity team needed a lot of commitment in order to rebuild the team from scratch. Many juniors and seniors stepped on to the court, and the team got progressively better every game. With a strong record this year, the CRLS boys certainly brought noise to the War Memorial. Basketball Cheerleading

The CRLS basketball cheerleaders have come a long way since previous years. Seniors on the team can recall their freshmen year, when they didn't feel as respected as they do now. The seniors who are on the team now have been through three different coaching staffs, and were taught many different techniques. This year with coaches who were new to CRLS, a new group of girls, and the help of their choreographer, the team has looked even more amazing than past years.

Boys Hockey

Although the team had very few players, limited practice time, and "literally no help from referees", the team still managed to make their way into the winning column using raw talent, guts, and most importantly, heart. This year's varsity team struggled through a lot, including wins getting taken away, and losing players. However, the boys hockey team took these challenges and turned them into a valuable lesson: one learns most about a team when seeing how they endure through hard times. The dedication and fight to win shown by each and every player on the team goes to prove that boys varsity hockey 2012 was one of the best hockey teams that Rindge has seen in quite some time.

The girls hockey team has improved a great deal over the past years. They won the Martha's Vineyard tournament two years in a row, and last year they made it to the state tournament. This year, the state tournament is in sight again. The team has has come extremely far, not only in wins, but also in sportsmanship, dedication, improvement, and commitment to the hockey team. These are the aspects that build a team, and make it more successful. The girls hockey team continues to improve and advance from previous years as does the determination from the athletes.

Indoor Track

As a team, they have continued to demonstrate excellence on and off the track. The team has made many great accomplishments including successfully placing 7th at the all state meet in 2011 almost qualifying for the New England meets. The seniors have continued to excel since freshman year, working hard to make it known that track is an intense sport rather than just a club. This year, the track team has surpassed many expectations by clinching the GBL championship, and setting various records, The legacy that the seniors leave behind will help set the stage for what is expected of any future Cambridge Rindge and Latin School track and field student athlete.

Gymnastics

Gymnastics requires enormous amounts of strength, hard work and determination. Every gymnast on the gymnastics team at Rindge undoubtedly possesses all of these qualities. In the past two years, CRLS has won two GBL titles, and has put forth a lot of effort to achieve those wins.The team experienced a fair share of losses this season; however their overall score has improved at every meet on every event. Additionally, each individual gymnast has significantly improved on their own skill level. The team has grown so much and has become a huge family. This season has been full of many accomplishments for CRLS gymnastics and there is no doubt that the team will continue to improve over the years.

On the right, Gary Edwards practices his handling skills.

The girls volleyball team had a very successful season. At their first ever appearance in the Spalding Showcase of Champions, they took the silver medal. They also took the GBL title, and finished the season undefeated 8-0. In th MIAA Girls Volleyball Central/East Division 1 State Tournament, CRLS won the first round against Newton South after losing to them twice in the regular season. Sadly in the quarter finals the girls volleyball team lost in a tough battle against North Quincy. The season ended with a victorious 13-4 record.

Crew

Congrats to the CRLS Crew team for an amazing season. Being one of the select few sports that practice and compete in two distinct seasons, spring and fall, the boys crew team managed to improve drastically over the past four years. Last year they had one of their most successful seasons in Rindge history. The girls team, continues to be a force to be reckoned with as well. Go crew!

Boys meet at the goal for a pep talk from their coach during halftime.

Boys Lacrosse

Boys lacrosse at CRLS is considered one of the most fun sports to play. The size of the team has increased drastically in the last couple of years, and went from receiving very little recognition to having full-on fan support.

The boys lacrosse team is young, having a very limited number of seniors. The many underclassmen can look forward to even stronger seasons as they develop their skills over the next years of their high school careers.

Girls Lacrosse

This year, the girls lacrosse team started the season off with amazing potential. Many girls are new to the sport, but offer incredible speed and have developed a lot of new skills in very short time. The team has always demonstrated sportsmanship during games, and hopes that this year will be the best in regards to showcasing the talent and will power that the girls have to face and defeat their opponents.

Friends of Cambridge Rindge and Latin School (FOCRLS)
Congratulates the Amazing Graduates of the Class of 2012!

FOCRLS recognizes and supports the advancement of CRLS students and faculty through these programs:

Faculty Distinction Awards - presented by seniors on the graduation stage
Unsung Heroes Recognitions - presented each term for multiple forms of student achievement
Faculty Innovation Grants - making it possible for teachers and staff to offer new challenges to students
Travel Fellowships - school-sponsored trips here and abroad made a reality for more students
First Scholars Awards - Scholarships to first generation students
Dr. Christopher Saheed Scholarship - for students planning to pursue a career in education
"It Takes a Village" Project - preparation that assures our graduates success at state colleges

Friends of Cambridge Rindge and Latin School (FOCRLS) is a 501(c)3 tax-deductible non-profit foundation founded 0by two parents in January '07. The mission of FOCRLS is to raise private funds from within the Cambridge community to support and enrich the academic and social development programs at Cambridge Rindge and Latin School, and in so doing, promote achievement for all students and a greater community investment in the future of Cambridge youth. For more information, to volunteer, or to make a tax-deductible contribution, go to: www.focrls.org

Congrats Senior Mentors!

A huge thanks to the senior mentors who inspired our 9th graders to make the most of their CRLS experience. Your legacy will stay with us. Keep putting your positive energy out into the world!

~ Ms. Lozada, the CRLS staff and the 9th graders.

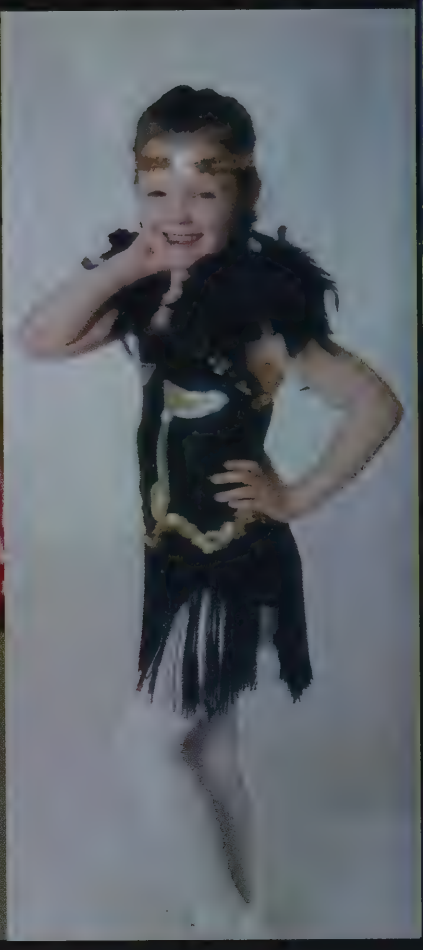
Congratulations, Jackie!

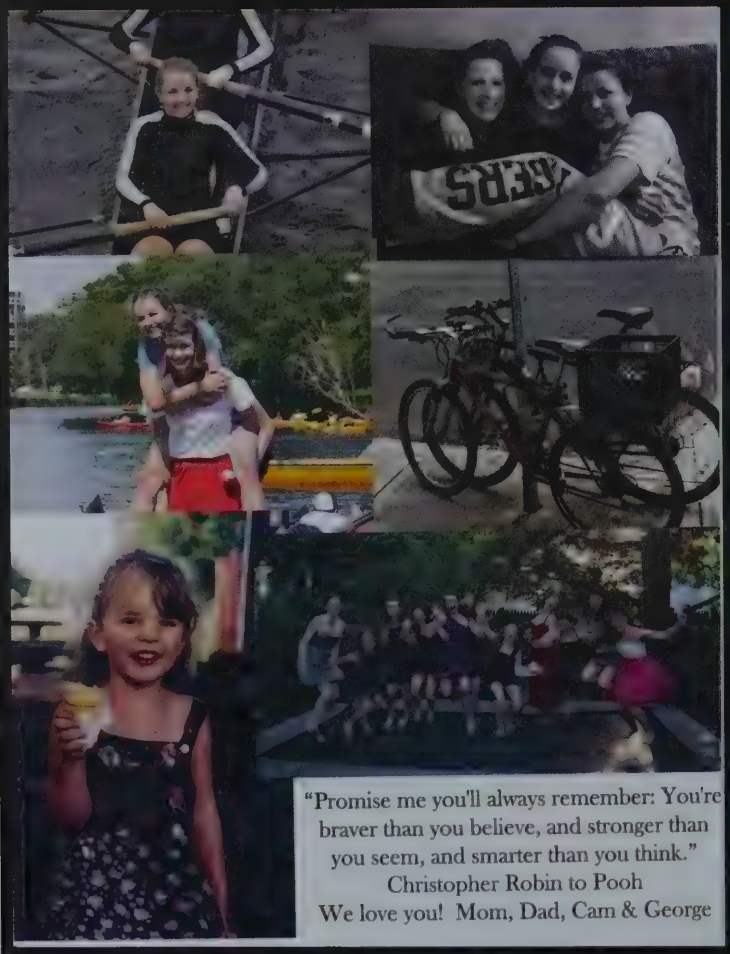
Our wish for you is that this life becomes all you want it to.
Your dreams stay big, your worries stay small, you never need to carry more than you can hold.

And while you're out there getting where you're getting to, I hope you know somebody loves you and wants the same thing too. Yeah this is our wish.

We are so proud of all your accomplishments!

We Love You,
Mom, Dad, Christopher, Nikki,
Brian, and Tina





"Promise me you'll always remember: You're braver than you believe, and stronger than you seem, and smarter than you think."

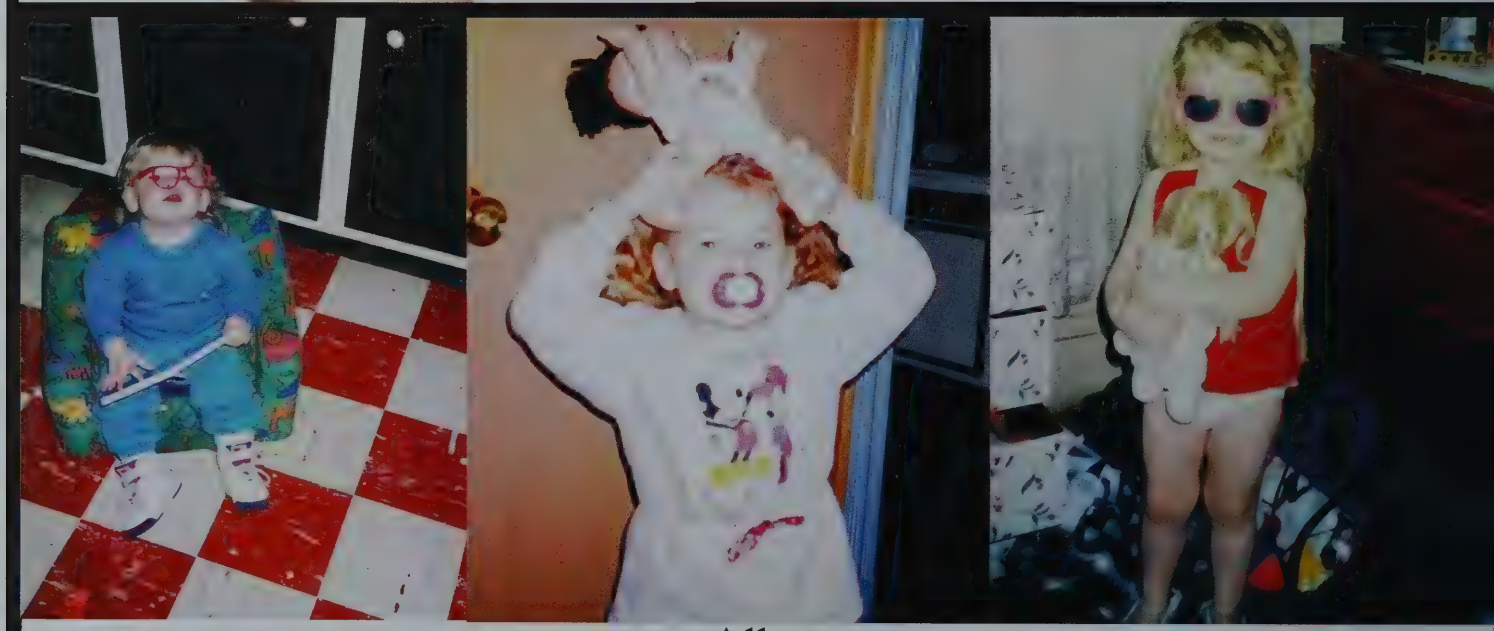
CONGRATULATIONS
many times over.

Love you always and forever,
Mommy "Mother" Mom



Ally,
I have a hard time putting into words what you mean to me. I think you have to be the mother of a daughter to know. Since the day you were born you have filled my heart and life with joy! I look forward to celebrating all of your future successes with you!
I love you! MAMA!
